

A message from Homeland Security.

STOP THE ILLEGALS!

We must build a wall to stop the illegals from Europe. The unwashed, heathen fine Xtian Pilgrims. They have been coming here without our permission since 1492. They have been illegally crossing Ocean Borders!! They are stealing the wealth and resources of this continent! They refuse to assimilate into our culture and refuse to

leave! They think that they can own our land and our very lives. They are unearned entitlement parasites bleeding us to death. They disobey our laws and are disrespectful to us! They falsely believe they are racially superior to us. They refuse to learn our language and good manners. They are hunting the buffalo and our nation to the brink of genocidal extinction. They rob graves of our ancestors. They intentionally use bio-weapons and WMD's to kill our tribes. Do not accept blankets or gifts from the unclean, Xtian heathens. They claimed to come here in peace and love. Our biggest mistake was helping them survive their first winters. We should have let them starve in our maize fields instead of teaching them that it was food and how to survive in our land. They repay our kindness with hateful Xtian belief driven rape, pillage, plunder, and genocide - obeying their jealous, vengeful, murderous 'gods and goddesses.' Our ways are of peace; theirs are of hate, bloodshed and war that they worship as love. Stop the illegal immigrants selling terrorism as freedom and peace.

First They Came-

First they came for the ~~Native Americans~~

Then they came for the ~~Jews~~

Next they came for the ~~Soldiers and Veterans~~

When they come for you and me

Who will fight for you ~~and me~~?

If you will not fight with us, who will be there ~~for you~~?
